

Kiss & Drop - Cars Only
School of Curiosity (K-4)

- The **Primary Kiss & Drop area** is located on **Lakefront Crescent** near **Gate 1** and is for CAR drop off and pick up only. Parents parking and walking to the school should drop children off at Gate 2.
- Parents should drive **via Red Gables Rd** and turn left onto Lakefront Crescent to approach the Kiss & Drop area - ***DO NOT*** enter Lakefront Crescent from Fontana Drive.
- Parents are ***NOT*** to get out of the car.
- Please note that there are only **12 spots available** and we ask that parents show patience during peak times. Parents should queue in the line and we ask that nobody cuts into spots ahead of the queue for the safety of those around.
- There is a **2-minute limit** for the Kiss & Drop area - parents should not stay longer than this to ensure the smooth flow of traffic.

MORNING

- When dropping off students, we ask that parents remain in the car and students should proceed to exit the car via the left hand side (students should sit on the left hand side for ease of process). Teachers will be on duty to assist in the process.
- Bags should be inside the car, not inside the boot.

AFTERNOON

- In the afternoon,, we ask that families display their **child's family name** on the dashboard and remain in the car. Teachers will call the student's name and walk the student to the car.
- Students should only enter the car from the left hand side.
